

CARD SPECIFICATIONS

1. Please note to keep things uniform we require a minimum of 5 good quality cards per hour verified. Please send us cards in multiples of 5. We will round it down to the nearest 5.
2. Each card folded should fit into an A5 or A9 envelope. (A standard card stock cut into half and then folded or a sheet of cardstock folded into half. Imagine a store-bought greeting card!). One-sided cards (not folded) are not acceptable.
3. Made on good quality thick cardstock. (Do not make cards on blank white printer paper, index cards, or construction paper)
4. The front of the card should be artistic or include an encouraging message/stickers
5. The inside should contain a motivational quote. For example: “Courage is not the strength to go on but going on when you don’t have the strength”, “Believe you can and you are halfway there”, “ Hope is the passion for what’s possible”, and “ The brightest stars shine in the darkest night”
6. Sign with your ‘first name for Caring Connections USA (John for Caring Connections USA) or simply ‘Caring Connections USA’
7. We always appreciate envelopes with the cards, please do not seal the envelopes and send the cards and envelopes separately so we can verify. It takes us more time to take out and look at each and every card.
8. Please do not include any religious quotes or send prayers as these are not acceptable to many and we wish to remain respectful to all.
9. If you are sending cards on various themes, please put a post-it on the card for the theme, it helps us to sort them out.
10. Have fun and be yourself! Thank you for choosing to make a card.
11. Please do not send us store-bought cards
